

## ABOUT THE INSTITUTION

University College of Engineering Thirukkuvalai, a Constituent College of Anna University was started in the year 2008. The College offers UG Courses in Civil Engineering, (English and Tamil Medium), Mechanical Engineering (English and Tamil Medium), Computer science & Engineering, Electronics & Communication Engineering and Electrical & Electronics Engineering. The College is situated at Thirukkuvalai, Nagapattinam District with an extent of 42.21 acres which includes excellent academic building, hostels, mess and canteen. The College is well equipped with smart lecture halls, spacious conference halls, necessary laboratories and advanced equipment for research and academic activities. The students from different parts of Tamil Nadu with different background are selected on the basis of merit through TNEA, conducted by Anna University.

## ABOUT THE DEPARTMENT

The Department of Civil Engineering offers B.E. Civil Engineering. The Department has dedicated and qualified faculty members and all our laboratories are equipped with latest sophisticated

instruments. Our Department constantly encourages the students to take part in In-plant training and Industrial Visits relevant to Civil Engineering. Four students in first batch, three in second batch and two in third batch scored University Ranks and brought glory to our Department as well as to College.

## PROGRAMME OBJECTIVE

Entrepreneurship Awareness Camp aims at creating awareness among students about various facets of Entrepreneurship while highlighting the merits of pursuing such a career option. In this camp, students are exposed to different aspects of Entrepreneurship including opportunity guidance, services offered by agencies of support system etc.

The main objective of the camp is to bring together the experts from industries, government agencies working in the field of Entrepreneurship and students of Science & Technology to provide a forum for the free and fruitful exchange of ideas and information for becoming an Entrepreneur. It will also explore the possible business opportunities and create all necessary awareness to start an SSI Unit as per government procedures.
