

FACULTY PROFILE

Dr DIVYA VETRIVEERAN

ASSISTANT PROFESSOR

Qualification : MTech , PhD

Area of Specialization : Deep Neural Networks, Edge/Fog Computing, Responsible AI

Teaching Experience : 06 YEARS 5 MONHS (TILL 01/01/2026)

Email-id : vdivya.3793@gmail.com

Publications:

Books	Book Chapters	Scopus Indexed Journals		Scopus Indexed Conferences

FDP(s)/Workshops/Seminars/Conferences Organized (in recent 3 years)

S No	Title	No. of Days	From	To	Sponsoring Agency
1	National Level Hackathon in collaboration with Hackerearth	1	15/03/2024	15/03/2024	IEEE Computer Society, Bangalore Chapter
2	Department Level Workshop for students on Entrepreneurship	1	20/12/2023	20/12/2023	Christ University

FDP(s)/Workshops/MOOCs/Conferences Attended (in recent 3 years)

S No	Title	No. of Weeks	From	To
1	Mastering The Art of Creating Online Course	1	16/06/2025	20/06/2025
2	Empowering Innovation: Mastering R Programming and AI Development Strategies	1	02/06/2025	06/06/2025
3	Next-gen Computing Paradigms for Bigdata Applications	1	09/12/2024	14/12/2024
4	"Emerging Trends and Challenges in Cloud Computing	1	15/07/2024	20/07/2024
5	Extended Reality Using Unity	3	01/03/2024	30/06/2024
6	Design Thinking and Innovations	1	06/05/2024	10/05/2024
7	Latest Trends And Techniques in Software Engineering - An Industry Perspective	1	20/01/2024	27/01/2024

Guest Lecture Delivered

College / University	Topic	Date
P.K.R Arts College for Women – International FDP	Responsible AI	18.12.2025
SR University, IEEE Student Branch - Guest Talk	Evolution of Generative AI	21.04.2025
Sathyabama Institute of Science and Technology - FDP	Design Thinking and Innovations	06.05.2024
Rajarajeswari College of Engineering, Bangalore - Guest Talk	Emerging Exponential Technology for Managers	21.12.2022
